**UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY**

NUTRAMAX LABORATORIES, INC. AND NUTRAMAX LABORATORIES VETERINARY SCIENCES, INC., Plaintiffs, v. BEST VIEW REVIEWS, INC., Defendant.	Civil Action No.: 2:23-cv-2190 <u>COMPLAINT AND DEMAND FOR JURY TRIAL</u>
---	---

COMPLAINT

Plaintiffs Nutramax Laboratories, Inc. (“Nutramax Labs”) and Nutramax Laboratories Veterinary Sciences, Inc. (“Nutramax Vet,” together with Nutramax Labs, “Nutramax”), each having their principal places of business at 946 Quality Drive, Lancaster, South Carolina 29720, for their Complaint against Defendant Best Views Reviews, Inc. (“BVR”), having a principal place of business at 16 Park Circle, Short Hills, Essex County, New Jersey 07078, allege as follows:

NATURE OF THE ACTION

1. Nutramax is dedicated to the research and development of the highest quality products in the nature of supplements to support health and wellness for animals, including pets. Nutramax is proud to be an industry leader in the field of supplements. Nutramax Vet offers a wide

array of supplements, including supplements for dogs, cats, and horses. These supplements support joint health, digestive health, skin and coat health, and provide other helpful benefits to animals.

2. Nutramax brings this lawsuit to protect the substantial goodwill that it has developed in its products, trademarks, and copyright-protected works and to stop BVR from posting deceptive or false statements about Nutramax Vet's products while co-opting Nutramax Labs' trademarks and copyright-protected artwork. While Nutramax has sought to resolve this dispute short of litigation, BVR has been completely silent. Thus, Nutramax has had no option but to pursue these claims in this Court.

PARTIES, JURISDICTION AND VENUE

3. Plaintiff Nutramax Labs is a South Carolina corporation with its principal place of business at 946 Quality Drive, Lancaster, South Carolina 29720.

4. Plaintiff Nutramax Vet is also a South Carolina corporation with its principal place of business at 946 Quality Drive, Lancaster, South Carolina 29720.

5. Nutramax Labs is the owner of the famous DASUQUIN® and COSEQUIN® trademarks, which it licenses to its subsidiary, Nutramax Vet, for use in connection with the marketing and sales of dietary and nutritional supplements for animals that are sold to consumers throughout the United States and the world.

6. Upon information and belief, Defendant BVR is a New Jersey corporation with its principal place of business at 16 Park Circle, Short Hills, New Jersey 07078.

7. Jurisdiction is proper before this Court given that this is a civil action under the Lanham Act, 15 U.S.C. §1051 *et seq.*, and the Copyright Act, 17 U.S.C. §101 *et seq.*, jurisdiction being conferred in accordance with 15 U.S.C. §1121 and 28 U.S.C. §1338.

8. This Court has personal jurisdiction over BVR because BVR is a corporation, incorporated under the laws of the State of New Jersey and its principal place of business is located in Short Hills, New Jersey, within this judicial district.

9. Venue is proper in this Court pursuant to 28 U.S.C. §1391.

GENERAL ALLEGATIONS

10. Nutramax Vet sells different types of nutritional supplements for animals including the DASUQUIN[®] and COSEQUIN[®] products for which Nutramax Labs is the owner of all related trademarks and intellectual property.

11. Nutramax and affiliated companies spend, and have spent for decades, significant amounts of money researching, marketing, distributing, and selling the highest quality of nutritional supplements for animals, including under the DASUQUIN[®] and COSEQUIN[®] marks throughout the United States and internationally. As a result, Nutramax Vet has become the #1 veterinarian-recommended supplement company.

12. As a consequence of Nutramax's efforts, as described herein, the public identifies the DASUQUIN[®] and COSEQUIN[®] marks exclusively with Nutramax, creating valuable intellectual property rights and goodwill.

13. Nutramax Labs owns the DASUQUIN[®] trademark, registered with the United States Patent and Trademark Office as Registration Nos. 3,266,390 and 6,872,420 and copies of the valid trademark registrations are attached hereto as Exhibits A and B.

14. Nutramax Labs also owns the COSEQUIN[®] trademark, registered with the United States Patent and Trademark Office as Registration Nos. 1,791,253 and 5,662,197 and copies of the valid trademark registrations are attached hereto as Exhibits C and D.

15. Nutramax Labs also owns the copyrights for the DASUQUIN[®] product's associated label artwork, registered with the U.S. Copyright Office as Registration Nos. VAu001217662 and VAu001215810. Copies of web-based records reflecting the registrations with the copyright office are attached hereto as Exhibits E and F.

16. Further, Nutramax Labs owns the copyright for the COSEQUIN[®] product's associated label artwork, registered with the U.S. Copyright Office as Registration No. VAu001215817. A copy of the web-based record reflecting this registration with the copyright office is attached as Exhibit G.

17. As indicated on its website, BVR holds itself out as “recommend[ing] the best products using AI-assisted analysis of verified and high-quality reviews,” so consumers “can make informed purchase decisions quickly and with confidence.”

18. BVR has published, and continues to display on its website, an article purporting to compare a competitive product to “Nutramax Dasuquin Capsules, 84 Count.” (the “Article”). Attached as Exhibit H is a printout of the Article, which can be accessed at <https://bestviewsreviews.com/cat-hip-joint-care/compare/?p1=zesty-paws-organic-mushroom-chewable-treats-for-dogs-for-dog-hip-joint-health-digestive-immune-support-14-mushrooms-complex-with-shiitake-lions-mane-turkey-tail-vitamins-minerals&p2=nutramax-dasuquin-capsules-84-count>.

19. The Article includes the false or misleading representation that the DASUQUIN[®] product “may cause minor blood infection.” This statement is baseless, unsupported, deceptive and likely to diminish the value and healthfulness of Nutramax's DASUQUIN[®] product in the eyes of consumers, while driving internet traffic to BVR's website and, upon information and belief, garnering ad revenue and other financial benefits for BVR.

20. BVR's website also reproduces, without permission or authorization, Nutramax Labs' DASUQUIN® and COSEQUIN® copyright-protected label artwork such as at <https://bestviewsreviews.com/dog-hip-joint-care/?page=10>, attached as Exhibit I.

21. On May 9, 2022, Nutramax sent a cease-and-desist letter to BVR citing the foregoing false or misleading statement and the improper use of the DASUQUIN® copyright-protected label artwork, to which letter BVR never responded.

COUNT I
False Advertising
(Lanham Act § 43(a), 15 U.S.C. § 1125(a)(1)(B))

22. Nutramax incorporates all previous allegations as if fully restated herein.

23. Through the foregoing conduct, BVR has made false and misleading statements of material fact in commercial advertising and/or promotion in misrepresenting the nature, characteristics, and/or qualities of Nutramax Vet's goods by claiming that Nutramax Vet's DASUQUIN® product "may cause minor blood infection."

24. BVR's false or misleading representations of fact actually deceives and/or has tendency to deceive a substantial portion of the target audience.

25. BVR's false or misleading representations of fact are material because they are likely to influence the purchasing decision of the target consumers.

26. BVR has caused their false or misleading representations to enter interstate commerce by advertising and/or promoting those statements using the internet.

27. Nutramax Vet has been, or is likely to be, injured due to the false statements creating a lessening of goodwill associated with the DASUQUIN® product.

28. BVR's actions constitute false advertising and a violation of 15 U.S.C. § 1125(a)(1)(B).

29. BVR's false advertising has caused substantial and irreparable damage and injury to Nutramax Vet for which Nutramax Vet has no adequate remedy at law, thus entitling Nutramax Vet to injunctive relief.

COUNT III
Federal Trademark Infringement
(Lanham Act § 32(1), 15 U.S.C. § 1114(1)(a))

30. Nutramax incorporates all previous allegations as if fully restated herein.

31. Nutramax Labs owns, has the exclusive right to use, and actively uses the DASUQUIN[®] and COSEQUIN[®] marks and Nutramax Labs has not, in any way, authorized BVR to use or to exploit the DASUQUIN[®] and COSEQUIN[®] marks.

32. In violation of 15 U.S.C. §§ 1114, *et. seq.*, BVR's acts have caused, or are likely to cause, confusion, mistake, or deception, over whether BVR's website is approved by, associated with, sponsored by or connected with Nutramax and Nutramax Vets' DASUQUIN[®] and COSEQUIN[®] products.

33. Upon information and belief, BVR's actions were undertaken willfully, and with the intent to confuse and deceive the public.

34. BVR's acts have damaged, or may damage, Nutramax's business reputation and goodwill, and have interfered, or may interfere, with Nutramax's use of the DASUQUIN[®] and COSEQUIN[®] marks.

35. BVR has caused, and unless enjoined will continue to cause, irreparable harm and injury to Nutramax for which there is no adequate remedy at law.

COUNT III
Federal Trademark Dilution
(Lanham Act § 43(c), 15 U.S.C. § 1125(c))

36. Nutramax incorporates all previous allegations as if fully restated herein.

37. Nutramax Labs owns valid and existing rights in the DASUQUIN[®] and COSEQUIN[®] marks.

38. Through long-standing and continued use, product promotion, and widespread consumer recognition, the DASUQUIN[®] and COSEQUIN[®] marks have become famous. Long after the DASUQUIN[®] and COSEQUIN[®] marks became famous, BVR began using those marks (and is still using them) to promote its own review services and to obtain revenue from use of the DASUQUIN[®] and COSEQUIN[®] marks.

39. BVR denigrates and demeans the quality of the products with which the DASUQUIN[®] and COSEQUIN[®] marks are associated.

40. In so doing, BVR is improperly creating a false impression regarding the quality and source of products associated with the DASUQUIN[®] and COSEQUIN[®] marks. This false impression is likely to cause dilution of the strong goodwill that Nutramax Labs has built in the DASUQUIN[®] and COSEQUIN[®] marks, in violation of 15 U.S.C. § 1125(c).

41. Further, BVR's acts constitute dilution by blurring of Nutramax Labs' famous DASUQUIN[®] and COSEQUIN[®] marks in violation of 15 U.S.C. § 1125(c).

42. As a result of BVR's wrongful and intentional conduct, Nutramax Labs has been damaged and will continue to be damaged in an amount to be determined at trial.

COUNT IV
Federal Copyright Infringement
(Copyright Act, 17 U.S.C. § 501)

43. Nutramax incorporates all previous allegations as if fully restated herein.

44. The DASUQUIN[®] and COSEQUIN[®] copyright-protected label artwork includes textual, pictorial, or graphical, works within the meaning of 17 U.S.C. §§ 101 and 102(a)(5).

45. The DASUQUIN[®] and COSEQUIN[®] copyright-protected label artwork represents, creative works of expression fixed in a tangible medium from which they can be perceived, and are subject to full protection under the Copyright Act.

46. Nutramax Labs is the exclusive owner of all right, title, and interest in and to the copyrights covering its DASUQUIN[®] and COSEQUIN[®] label artwork, including the U.S. Copyright registrations.

47. BVR has reproduced the DASUQUIN[®] and COSEQUIN[®] copyright-protected label artwork by taking images of DASUQUIN[®] and COSEQUIN[®] packaging and publishing them on BVR's website.

48. BVR is actually and/or constructively aware that those images constitute copyright-protected material.

49. BVR willfully reproduced these images without Nutramax Labs' authorization, permission, license, or consent and for the purpose of, upon information and belief, increasing ad revenue and other revenue for BVR's own benefit and purposes.

50. By reproducing, distributing, and/or otherwise using images of Nutramax Vet's DASUQUIN[®] and COSEQUIN[®] products without Nutramax's consent, BVR has infringed on Nutramax Labs' exclusive rights in the DASUQUIN[®] and COSEQUIN[®] copyright-protected label artwork, thereby violating 17 U.S.C. § 501.

51. BVR's reproduction of these images without Nutramax Labs' authorization, permission, license, or consent, has resulted in injuries and/or continues to result in injuries, to Nutramax Labs' commercial interest in its reputation and/or reduced Nutramax Vet's sales.

52. BVR's wrongful actions continue to deprive Nutramax of its rights and benefits in Nutramax Labs' copyright-protected label artwork, which include the exclusive right to use,

reproduce, distribute, sell, and create derivative works using the visual material protected by the copyrights covering Nutramax Labs' DASUQUIN[®] and COSEQUIN[®] copyright-protected label artwork.

53. Unless enjoined by the Court, BVR will continue to wrongfully use and infringe on the Nutramax Labs' rights in the DASUQUIN[®] and COSEQUIN[®] copyright-protected label artwork by continuing to display it over internet.

54. As the direct and proximate result of BVR's infringement, Nutramax has suffered, and will continue to suffer, monetary damages, and irreparable injury to its business, reputation, and goodwill.

55. Nutramax is entitled to injunctive relief and an award of statutory damages for BVR's infringement.

REQUEST FOR RELIEF

WHEREFORE, as to all of its claims, Nutramax respectfully prays that this Court enter judgment in its favor and against BVR, and relief as follows:

- A. Adjudicating and decreeing that BVR has infringed Nutramax Labs' trademark rights in the DASUQUIN[®] and COSEQUIN[®] trademarks and its rights in the DASUQUIN[®] and COSEQUIN[®] copyright-protected label artwork.
- B. Adjudicating and decreeing that BVR has falsely advertised the nature, benefits, or quality of Nutramax Vet's DASUQUIN[®] product.
- C. Preliminarily and permanently enjoining and restraining BVR, and, where applicable, its directors, members, officers, agents, servants, employees, parents, subsidiaries, affiliates and all other persons in active concert or participation with, through or under BVR, at first during pendency of this action and thereafter perpetually:
 1. from publishing, stating, or otherwise implying false descriptions or characterizations of Nutramax Vet's products, including the DASUQUIN[®] product;

2. from making any statement on promotional materials or advertising for their goods or services that are false or misleading as to the source, origin, or affiliation with, sponsorship by, or connection to Nutramax;
 3. from using Nutramax Labs' DASUQUIN[®] or COSEQUIN[®] marks or any variants thereof, and from otherwise infringing Nutramax's DASUQUIN[®] or COSEQUIN[®] marks; and
 4. from reproducing, copying, or otherwise publishing or disseminating Nutramax Labs' DASUQUIN[®] and COSEQUIN[®] copyright-protected label artwork.
- D. Requiring that BVR, within thirty (30) days after service of notice of entry of judgment or issuance of any injunction, file with the Court and serve upon Nutramax's counsel a written report under oath setting forth details of how BVR has complied with the Court's order outlined in (C.) above.
- E. Awarding damages to Nutramax as a result of BVR's willful infringement in an amount including awards for Nutramax's actual damages, and Nutramax's attorneys' fees and costs.
- F. Awarding Nutramax such other and further relief as this Court deems just and proper under the circumstances
